Executive Department
State of California

PRESIDIO

Our nation is at war against powerful and ruthless aggression. As we serve in this great struggle, we will remember that the people of our good neighbor Mexico, the United States of America, and people are bound together not only by the eternal ties of freedom and democracy but also by the bonds of our common heritage. Therefore, their share of the burden as well as our own will be carried with their share of responsibility. And since the war will be victorious with enthusiasm, avenge, and a spirit of universal determination, our own, and lead

Mexico and California have a common boundary. Hundreds of thousands of Mexican citizens reside in California. Thousands of Californians reside in Mexico. The very colour and significance of the ties that bind us in common extend even unto the heart of our nation. For reasons both deeply felt and very locally important, it is the wish of the Governor of the State of California to honor the Mexican Independence Day.

Therefore, the Governor, having been advised of Mexican Independence Day in the Mexican national custom, does hereby give public notice that a public ceremony, celebration and honor of the Mexican Independence, will be held at eleven o'clock in front of the State Building in Los Angeles on Thursday, September sixteenth, 1942 at 10 o'clock in the morning.

In the Seal I have heretofore set my hand and denoted the great seal of the State of California to be affixed this day of the year, in the year one thousand ninety-two.

GOVERNOR OF CALIFORNIA
SECRETARY OF STATE
