** CALIFORNIA STATE DOCUMENT DEPOSITORY LIBRARIES **

Under the provisions of the Library Distribution Act (Government Code sections 14905, 14906, and 14907), the libraries listed below have contracted with the Department of General Services to serve as complete or selective depositories. They agree to provide adequate facilities for the shelving and use of the publications deposited with them, render reasonable service without charge to qualified patrons, and retain all publications received until authorized to dispose of them.

There are 105 depository libraries: 15 complete depositories and 90 selective depositories.

**Complete Depository Libraries**

One copy of each state publication as defined in Government Code section 14902 must be placed on deposit with each complete depository. Provisions of the State Administrative Manual authorize the California State Library to receive two copies.

Selective Depository Libraries

Selective depositories receive one copy of each printed publication distributed by the Office of State Printing. They also receive on request publications distributed directly by issuing agencies. A special subset of the Selective Depository Libraries are the Law Libraries. They receive one copy of each printed publication from OSP and can request a single copy from issuing agencies. Law library depositories differ in having special document retention requirements pursuant to section 14909 of the California Government Code. Law Libraries are indicated in this list by the term “Law” before their entry.
