SUBJECT: Federal Restrictions on Use of LSTA Funds

To clarify some of the more commonly-occurring questions regarding how Library Services and Technology Act (LSTA) funds can be used, the attached bulletin lists important highlights of allowable and unallowable costs that apply to LSTA grant projects, for the guidance of recipients. Administrators of LSTA grant projects are cautioned that they must abide by these regulations in conducting their projects and in allotting charges against grant funds.

RESTRICTIONS ON THE USE OF LSTA GRANT FUNDS

The following explanations are extracted from Federal regulations that prescribe the allowable and unallowable expenses that may be incurred by grant award recipients which use Federal funds under LSTA. Governmental units and other grant recipients assume responsibility for administering federal funds in a manner consistent with underlying agreements, program objectives, and the terms and conditions of a Federal award. This list is intended for the advice and guidance of grant recipients under the Library Services and Technology Act (LSTA). In cases of ambiguity, uncertainties, or questions in identifying cost items or determining their allowability under Federal procedures, please contact Mickie Potter, LSTA Analyst, at (916) 653-4730.

Costs of advertising and public relations at conventions, meetings or other events, including displays, demonstrations, exhibits, meeting rooms, hospitality suites, and special facilities used in conjunction with shows and special events; and salaries of employees engaged in setting up and displaying exhibits, making demonstrations, and providing briefings are unallowable. TRAVEL EXPENSE
Travel costs are allowable for expenses for transportation, lodging, subsistence, and related items incurred by employees traveling on official business. Charges should be consistent with those normally allowed in like circumstances of the grant recipient organization in its regular operations and policy, in non-federally sponsored activities. An exception to this is that car mileage reimbursement for all awarded LSTA grants cannot exceed the current state rate of 56.5 cents per mile (CPM). Reimbursement is the preferred method of payment for travel expenses. Source: OMB Circular A-87 revised, dated June 9, 2004, Attach. B.43. (NOTE: The State Library’s policy on out-of-state travel and conferences is that they are generally not allowed. There are exceptions, however, based on the importance of the travel and/or conference to the grant. If your grant will include out-of-state travel or attendance at an out-of-state conference, consult with your primary consultant beforehand to obtain State Library approval before scheduling the trip or registering for the conference.)
