

Torrance Public Library

Library Photographer/ Historian

Position Overview and Impact:

Provide quality photography services to help document library events and activities. The Library is seeking a creative talented individual with excellent photography skills to help the Library preserve its historical record and promote the Library's resources to the community.

Key Responsibilities:

1. Photograph Library events and activities as needed,
2. Process and enhance photographs, delivering them in a digital format,
3. Work with staff and support groups to select photos for inclusion in newsletters and other publicity products.

Benefits of volunteering:

Use creative skills to help the Library and the community; enhance/expand photography skills; see work published in library promotional materials; expand personal portfolio
