

Lego Club Leader

Position Overview:

PLAY = LEARNING --Foster creativity in children and enhance the image of the library as a fun and welcoming place by leading the West Valley Library's Weekly Lego Club

Responsibilities:

Develop a vision for the club

- Oversee the weekly meetings and decide the content and structure of each session
- Incorporate the library's materials and educational resources into the meetings with assistance from a library staff member
- Utilize social networking tools (i.e. Flickr, Facebook) to record the club's activities
- Recruit and coordinate volunteers to assist with supervision of children

Benefits:

- Knowing that you have encouraged learning and creativity in children
- Providing an opportunity for children to interact independently and/or cooperatively in a socially safe and free place.
- Provide opportunities to learn new skills
- Satisfaction that you have changed lives and are helping to build our community

Training/Support Available:

- Assistance from a staff liaison to develop the club
- Training and support from staff about the library, programs & services
- Library materials and resources

Qualifications:

- Experience working with young children of all ages; reliable, creative, and flexible.
- Ability or willingness to learn to use social networking tools and a digital camera
- High degree of initiative
- Applicants must be over 18

Commitment:

- 12 month commitment of two hours/week (1 hour for preparation and clean-up; 1 hour for actual club).
