

2002/03 System Population & Membership

The following pages contain the System membership and System population figures which will be used to allocate funds to the individual Systems for the System Reference Program in the 2002/03 fiscal year.

Pursuant to Section 18741(a) of the California Education Code, the membership figures for three Systems (MOBAC, North Bay, and North State) have been adjusted to reflect public library consolidations which occurred after January 1, 1978.

Pursuant to Section 20106 of the Code of California Regulations, the population figures, certified by the California State Librarian, are based on the most recently published (May 2002) combined estimate for cities and counties from the California State Department of Finance.

STATEMENT OF CERTIFICATION

“I certify that the attached System population figures have been prepared using the most recently published and available combined estimate for cities and counties from the California Department of Finance, adjusted to reflect the geographic service areas of California public libraries.”
