California on the Move – Air, Land and Sea State Library Exhibit at the California State Fair

Sacramento, Calif. – The California State Library’s extensive collection of historic images and artifacts about the history of transportation in California will be on display at Building 7 at Cal Expo on Exposition Blvd.

Fair goers will be treated to a 3-D show that features stereographic images from our collection about transportation along with a stereographic camera. Also included in the exhibit will be travel posters inviting people to come to California, along with photographs of the ways people came here.

Visit our old time train station. You’ll see photos of an automobile telescope touring car – an early version from 1914 of a motorhome, plus photos of early aviation, autos, buses, ships, and trains.

You won’t want to miss it.

The State Fair runs from Friday, July 8 – Sunday, July 24, 2016.

Hours are Monday – Thursday: 11 a.m. – 10 p.m.,
Friday – Sunday: 10 a.m. – 10 p.m.
