**APPLICATION FOR FREE LIBRARY SERVICES  
 INDIVIDUALS**

The Braille and Talking Book Library (BTBL) is a branch of the California State Library which cooperates with the Library of Congress, National Library Service for the Blind and Physically Handicapped. The books and equipment are provided by the Library of Congress. The California State Library directly administers the program in Northern California. Residents of Southern California are served by the Braille Institute Library in Los Angeles, which is also funded by the State Library. These services are provided without charge to all eligible readers.

## **Eligibility of Blind and other Physically Disabled Persons for Loan of Library Materials**

### **A. The following persons are eligible for loan service:**

- 1. Blind persons whose visual acuity, as determined by competent authority is 20/200 or less in the better eye with correcting lenses, or whose widest diameter of visual field subtends an angular distance no greater than 20 degrees.**
- 2. Other physically disabled persons as follows:**
  - (a) Persons whose visual disability, with correction and regardless of optical measurement, is certified by competent authority as preventing the reading of standard printed material.**
  - (b) Persons certified by competent authority as unable to read or unable to use standard printed material as a result of physical limitations.**
  - (c) Persons certified by competent authority as having a reading disability resulting from organic dysfunction and of sufficient severity to prevent their reading printed material in a normal manner.**

### **B. In cases of blindness, visual disability or physical limitations, "competent authority" is defined to include doctors of medicine, doctors of osteopathy, ophthalmologists, optometrists, registered nurses, therapists, professional staff of hospitals, institutions, and public or welfare agencies (e.g. social workers, case workers, counselors, rehabilitation teachers, and superintendents). In the absence of any of these, certification may be made by professional librarians or by any person whose competence under specific circumstances is acceptable to the Library of Congress.**

- C. In the case of reading disability from organic dysfunction, competent authority is defined as doctors of medicine or doctors of osteopathy who may consult with colleagues in associated disciplines.
- D. Qualified readers must be residents of the United States including the several states, territories, insular possessions, and the District of Columbia, or American citizens domiciled abroad.

**LENDING OF MATERIALS  
AND  
CLASSES OF BORROWERS**

- A. **Veterans.** In the lending of books, recordings, reproducers, musical scores, instructional texts, and other specialized materials, preference shall be given at all times to the needs of the blind and physically disabled persons who have been honorably discharged from the Armed Forces of the United States.
- B. **Institutions.** The reading materials and sound reproducers for the use of blind and physically disabled persons may be loaned to individuals who qualify, to institutions such as nursing homes and hospitals and to schools for the blind and physically disabled for the use of such persons only. The reading materials and sound reproducers may also be used in public or private schools where disabled students are enrolled; however, the students in public or private schools must be certified as eligible on an individual basis and must be the direct and only recipients of the materials and equipment.
