BOARD OF SUPERVISORS, LASSEN COUNTY CALIFORNIA

DECLARATION AND PETITION TO THE CALIFORNIA STATE LEGISLATURE FOR THE WITHDRAWAL OF LASSEN COUNTY FROM THE STATE OF CALIFORNIA AND TO FORM THE STATE OF JEFFERSON AND ALTERNATIVELY TO AUTHORIZE JOINING A LEGAL CHALLENGE TO REYNOLDS VS. SIMS

WHEREAS, when California was admitted to the union on September 9, 1850, counties played an integral part of California history as we note that each of the original 27 counties had a representative in the original State Constitutional Convention in 1849; that each of the original 27 counties had a representative in both Chambers of the legislature; that each of the 52 counties at that time had a representative in the 1878/1879 Convention; that the 1849 Constitution established a State Assembly with 80 members and a State Senate with 40 members, which has remained unchanged to this date; that the 80 members of the State Assembly has always been apportioned based on population from its origins; that the 40 members of the State Senate was apportioned based on population, except for the period of 1930 to 1965 when the Federal Plan was put in place by the voters; and

WHEREAS, since 1964, and the landmark United States Supreme Court decision of Reynolds v. Sims (1964) 377 U.S. 533, California has been obligated to apportion both houses of its state legislature based on population; the result of this decision, eliminating the use of the “Federal Plan” in the California State Senate, has left many of California’s counties without a voice; and

WHEREAS, the California Constitution has fixed the number of representatives in both chambers at 40 Senators and 80 Assembly members; such a number is arbitrary, and has the undesirable result that, as the population grows, it dilutes the share of each County in its governing role, whereby forcing Counties to share its Senators and Assembly members with more Counties as the decades go by, diluting and abridging the votes of the citizens of the Counties themselves in this process; and

WHEREAS, dilution of the individual voter’s representation in California, to a ratio of almost 475,000 citizens to one representative in the Assembly and almost 950,000 to one in the Senate, has denied the voice of rural California, and particularly the voters of Lassen County; and

WHEREAS, the Lassen County Board of Supervisors recognizes the lack of representation for rural and frontier counties in the California Legislature, and the Board recognizes an increasing tendency by the State of California to exercise legislative and fiscal malfeasance in many forms including, but not limited to, the listing of the Gray Wolf on the endangered species list by the California Fish and Game Commission, implementation of the Irrigated Lands Management Program, implementation of the Grazing Regulatory Action Plan (G.R.A.P.), California’s new groundwater sustainability legislation, an illegal fire tax, the State of California’s disregard of payment in lieu of taxes owed to many rural counties, in the excesses of the California EPA and CARB regulation more suited for urban standards, in property rights violations, in assaults upon Second Amendment rights, as well as disregard for other inalienable rights of the residents of Lassen County; and

WHEREAS, State and Federal Agencies, through aggressive regulation and by reinterpretation of long-established laws, have denied the County of Lassen, its businesses, and its residents, access to our most abundant natural resources and fishing grounds, causing untold harm to our economy, as well as to our health and public safety; and

WHEREAS, State and Federal Agencies have, through a process commonly known as “sue and settle”, compromised longstanding principles and priorities of beneficial use and stewardship of our natural resources while sacrificing public process and open government; and
WHEREAS, many residents of the County of Lassen have expressed their frustration to the Board of Supervisor's regarding the excesses of state government; and the Lassen County Board of Supervisors joins in that frustration; and

WHEREAS, the Board of Supervisors also recognizes that there are times in our history when it is apparent that the political separation of one people from another has become necessary, both for the survival of the one, as well as the continued wellbeing of the other; and

WHEREAS, the Board of Supervisors recognizes that soon after California statehood, credible efforts were made to split the state, with 220 proposals by 1998, including the strong Jefferson State movement of 1941 and the election results of June 2, 1992, when citizens of 27 Counties by county advisory votes, voted in favor of splitting the State of California; and

WHEREAS, the Lassen County Board of Supervisors conditionally favors separating from the State of California and joining a new State of Jefferson; authority to join this effort to separate from the State of California would be granted subject to approval of the voters of Lassen County at the June 2016 primary election by way of advisory vote; and

WHEREAS, alternatively, if an effort in forming a new state is defeated, the Board of Supervisors of the County of Lassen would consider joining a credible legal challenge to the Reynolds case; that the majority in Reynolds disregarded, ignored, and otherwise by an act of judicial activism, refused to recognize the premise on which the 14th amendment was ratified by the several states, including California; that Associate Justice Harlan is correct in his dissent by concluding that, essentially, the majority is reading into the equal protection clause an interpretation which was specifically rejected during ratification debate; that the only way to reclaim the balance of power in the state house, if separation is denied, is to overturn the Reynolds decision.

NOW, THEREFORE, IT IS HEREBY DECLARED that the Lassen County Board of Supervisors hereby conditionally approves withdrawing Lassen County from the State of California and starting over by forming a new state which represents the needs, provides opportunity, and protects the rights, liberties, public health, and safety of the people of a new State of Jefferson; said approval to withdraw being conditioned upon the approval of the voters of Lassen County in the June 2016 primary election by advisory vote; and

BE IT FURTHER DECLARED, should the State of Jefferson come to fruition through the Article 4, Section 3 process the voters of Lassen County may be asked to vote for statehood, however the interim process is affirmed by Declaration and Petition, by the Lassen County Board of Supervisors, the elected representatives of the people, desirous of standing in the quest and process for remedy to lack of representation, in state government, on behalf of Lassen County; and

BE IT FURTHER DECLARED that, pursuant to the requirements of Section 3 of Article IV of the United States Constitution, the Lassen County Board of Supervisors requests that the California Legislature redress the above grievances and or approve the withdrawal from the State of California of the lands described below.
