STATE LIBRARY  
PRESERVING OUR HERITAGE, SHAPING OUR FUTURE

TO: All California Public Library Directors

FROM: Greg Lucas  
California State Librarian

DATE: June 1, 2019

SUBJECT: Certification of Population Figures for 2019-20

---

Section 18021 of the California Education Code specifies that the State Librarian must determine and certify on June 1<sup>st</sup> of each fiscal year the population served by each public library of the state based upon census data compiled by the United States Department of Commerce or estimates prepared by the California Department of Finance, whichever is more current. For such purposes, no person shall be deemed to be served by more than one public library. The figures certified are for January 1, 2019 based on the most recently published (May 2019) State of California, Department of Finance, Demographic Research Unit, City/County Population Estimates, with Annual Percent Change, January 1, 2018 and 2019.

If you have questions about the Certified Population Figures, please contact Andrea Freeland, Bureau Analyst at 916-651-3191 or by email at: [andrea.freeland@library.ca.gov](mailto:andrea.freeland@library.ca.gov).

#### **STATEMENT OF CERTIFICATION**

"I certify that the attached population figures have been prepared using the most recently published and available combined estimate for cities and counties from the California Department of Finance, adjusted to reflect the geographic service areas of California public libraries."
