

Coordinating Volunteers in Public Libraries:

Innovative Volunteer Management and Engagement Strategies

- Are you interested in streamlined ways to create a strong volunteer program?
- Want to learn more about developing sustainable positions and engaging skilled volunteer leaders?
- Interested in connecting your volunteers with your staff and organization?

The *Bay Area Volunteer Managers' Peer Network* invites you to join us for this powerful, interactive seminar. Designed for library and literacy program staff members, the sessions will help both new and experienced volunteer coordinators.

Offered at three locations, you can choose the site and date that works best for you. Each date features the same content. Standard mileage will be reimbursed, and lunch will be provided.

Registration is first registered—first accepted, and space is limited, so sign up early!
