Sacramento, Calif. – The Riverside County Superintendent of Schools, on behalf of the California State Library, is requesting proposals from qualified providers of online content and educational tools to support the variety of subjects known as “STEAM” – Science, Technology, Engineering, Arts and Math.

Also, resources can support related subjects such as computer science, career technical education (also known as CTE), health education, and subject-integrated STEAM classes in history and social science, physical education, English language arts and development, and other K-12 instruction.

The goal of this Request for Proposals is to provide educators, students and staff in California’s K-12 schools with high quality STEAM resources - Science, Technology, Engineering, Arts and Math – that can be accessed anytime and anywhere.

The RFP for potential vendors is available by email request at epurchasing@rcoe.us or by calling **(951) 826-6291**.

Deadline for proposals (electronic submission) is September 2, 2021, at 2 p.m. Pacific.

Requests for information (RFIs, aka questions needing responses) must be made by Monday, August 16, 2021, by 10:00 a.m. Pacific, and sent in writing via email to rcoeslrfp@rcoe.us with the subject "RFI for K-12 Online Content - STEAM."

About the State Library: Founded in 1850, the California State Library has an extensive collection of documents from and about the state’s rich history, ranging from books, maps, miners’ diaries, newspapers, and periodicals to photographs, paintings and posters. The State Library also holds federal and state publications, is home to the Bernard E. Witkin State Law Library and the Braille and Talking Book Library, and serves as the lead state agency for library-related services throughout California. [State Library website](#)
